- Government contracting

WHAT OUR CLIENTS ARE SAYING ABOUT

“ There were many times when I was at a ‘Y’ in the road...and my KSBDC Advisor listened, asked questions, and helped me think through whether I should turn left or right. The KSBDC has been, and continues to be, a huge help to me in my business growth.

- **Laura Schmidt** // *Owner, notes to self, llc*

“ The greatest attribute that the KSBDC brought to us was the insight to consider and review...key business elements for a long term growth strategy. We now have an annual review of each of these key business elements to determine what the goals are for each, analysis to determine if they are working for us, and a list of potential changes we may need to make based on the current business environment. We have a much longer outlook than we did when we first started the business.

- **Jon Roberts** // *Owner, Custom Storefronts Inc.*

“ Through the KSBDC, my business received hours of research assistance that ultimately provided market data, competitive analysis, SEO research, GIS and so much more. With the help of the KSBDC, we were able to define a scalable sales process with real data. Now, growth is up, and profitability is the best ever in the history of the company.

- **Steve Waddell** // *Owner, CTe Learning*

“ I am so thankful to know there is a valuable and easily accessible program in the Kansas Small Business Development Center to help small business owners like myself. The KSBDC services were extremely beneficial since I had little in startup capital and was trying to make every penny count. More people need to know about the great services of the Kansas Small Business Development Center. It is exactly what my business needed and should be added to everyone’s business plan.

- **Vanessa Westmoreland** // *Owner, Midwest Travel Buddy*

“ The KSBDC provided me with resource lists of experts and specialists. By identifying issues before they became problems, the KSBDC has helped us avoid costly and sometimes irreversible mistakes.

- **Cindy Singer** // *Owner, Enhanced Homecare LLC*

“ This is an amazing program. Many really great things that came out of my work with the KSBDC, including changes I have made in my business that will pay dividends for years . . . With the help of the KSBDC, I feel like there is nothing in my business which I cannot improve and implement.

- **Jason Wright** // *Owner, Jason Wright Electric*
